

Dear applicant,

Thank you for taking part in this challenge, organized by the European project consortium TITAN, funded by the European Commission under Horizon Europe.

During the registration, TITAN collects the following personal information:

- Name/Surname
- Education
- E-mail

TITAN collects these personal data in compliance with current regulations on personal data processing, exclusively for the purposes outlined in the brief, to ensure diversity in the group of participants and to be able to contact them for any practical information.

Name and contact details of participants will not be shared with anyone outside the organizing partner.

Other personal data will only be used anonymized for reporting or publication purposes within the context of the project.

Information with personal data used to organize the meetings will be kept until all administration has been finalized, except for the sign-up sheet and payment information, which we are legally obliged to store for financial reporting, for 5 years after the project is completed in 2026. Then it will be deleted.

You can withdraw your consent to participate at any time and request that your data be deleted by contacting chiara.ronzoni@valuegs.com or maurizio.mesenzani@valuegs.com.
